

Envision Gets Magento Marketplace Approval for Three More Magento 2 Extensions

For the past few days, we have been working behind the scenes on getting our new Magento 2 extensions approved at [Magento Marketplace](#). Finally, we are pleased to announce that our revolution of Magento 2 Extensions' approval on Magento Marketplace is gaining momentum. After approval of our very first Magento 2 extension '[Request for Price](#)', our three more **Magento 2 extensions** are now live on Magento Marketplace.

Magento Marketplace is a next-generation marketplace, offering unique business solutions, a curated collection of e-commerce products, tools, and a platform for Magento merchants to thrive their existing business.

Our Magento 2 Extensions That Get Approval on Magento Marketplace:

- Multiple Products Add to Cart (You can check all its features here: <https://marketplace.magento.com/eecom-ajaxaddmultiple.html>)
- Easy Product Labels (For more details, visit: <https://marketplace.magento.com/eecom-productlabel.html>)
- Advance Product Magnifier (For more details, visit: <https://marketplace.magento.com/eecom-productzoom.html>)

We at [Envision Ecommerce](#) are spreading our wings as an originator of the revolutionary Magento 2 extensions. But it is only achievable at the hands of a team of [certified Magento developers](#) who is having ample experience in Magento and dedicated to producing more quality products in near future. We are continuing to deliver more [Magento 2 extensions](#) to follow this same momentum. So stay tuned to know more!
