

Spreading Smile – Let's Do it Again with Envision Ecommerce This Diwali

Diwali is just around the corner! Yes, we are less than 2 weeks away from October 30th and we are back again with our Initiative to bring smile on the face of Orphan kids and we look forward to your participation like last year.

2015 was the year we started an initiative called “**Smile Sharing Initiative**”, where the entire Envision Ecommerce’s family did a donation contribution (in terms of cash & kind) to “Bal Niketan – a national award-winning “Home” for orphans”. We were able to bring some smile on the face of underprivileged Orphans with our contribution. (<http://envisionecommerce.com/spreading-smile-envision-ecommerces-visit-to-orphanage/>)

Aligned to our “Smile Sharing Initiative” initiative and Corporate Social Responsibility, we again call upon you all to be a part of this charity and help us in brightening up the lives of underprivileged kids this Diwali, too. Let’s spread some smile on their faces and bring the real light in their lives without wasting money on fumes and crackers.

The least you can contribute is by sharing the post, use hash tag **#SpreadingSmile**. Email us at sales@envisionecommerce.com if you want to be part of this initiative. Making others smile is not less than any form of worshipping. Have a Happy & Smile Sharing Diwali!
